September 2007

We are pleased to announce that the Leawood Lions program of scholarships is again being offered to Senior High School students residing in Leawood and Overland Park, KS. The Leawood Lions will be offering five hundred dollar scholarships that will be based on community service, scholarship and leadership skills.

The awards will be paid directly to the college, in the student's second semester of the college school year. Students selected must maintain a grade point average of at least 2.5 on a 4.0 system.

This program requires the students to complete the attached application and return it to us by April 1st, 2008 so that the students selected may also be eligible for matching funds from the "President's Student Service Challenge" program, if your school is not already a "President's Service Challenge" school. We are advised that the program details will be mailed directly to schools. You may also get information from their web site at www.nationalservice.org/scholarships.

Please make copies of the enclosed application for your students and feel free to call me with any questions.

Sincerely,

James H. Rochel
Scholarship Chairman
